Afternoon at your complete disposal.

**DAY 3**

## Miami - Key West

Breakfast at the hotel. Meet with local guide and private coach. Our destination today is Key West, the southernmost continental point in the United States, the seaside resort where the famous writer Ernest Hemingway lived and wrote part of his books. The road from South Florida to Key West is a plunge into the sea, 42 bridges cross the Keys and the views are unique: from the vibrant colors of the homes to the crystal clear waters. A "must stop" on the way is Islamorada whose history blends sea tales and precious coral reefs. We will visit a replica of the boat Pilar, a gift the famous writer made to his beloved...a beautiful stop at Duck Key. Stop for typical Cuban lunch in a restaurant (not included). Arrival in Key West and guided tour of the city before checking into the hotel. You will end the day with your guide and stroll through the streets of this delightful town and head to Mallory Square, the perfect setting to watch an unmissable sunset.

Free dinner.

Overnight at the hotel.

**DAY 4**

## Keywest – Everglades – Naples

Breakfast at hotel. Depart by private coach and local guide for northwest to experience a one-of-a-kind adventure in close contact with nature. A journey to what the natives used to call the “river of grass”-The Everglades! The largest subtropical wilderness in the United States where, thanks to highly trained Park Rangers, you will be able to observe the typical flora and fauna of the area from an airboat. After greeting Snappy, a friendly baby alligator. Free lunch along the way. The journey continues via US41 to Naples, where we will arrive just in time to head to Lowdermilk Park and appreciate the picturesque sunset in this town. Interestingly, the town was founded in 1880 and named after the wonderful Naples because it so reminded its discoverers of the beauty of southern Italy. Naples’ beaches are considered among the most beautiful in Florida.

Free dinner.

Overnight at hotel.

**DAY 5**

## Naples – Fort Meyers – Sarasota – Cocoa beach

Breakfast at hotel. Depart by private coach and local guide to the West Coast, visit Edison Ford Winter Estate-this very interesting attraction, set in a lush botanical garden, consists of the homes, laboratories and workshop of Thomas Edison and Henry Ford, two of the most important inventors, industrialists and innovators not only in the U.S. but throughout the world. Edison and Ford were indeed great friends, and although their origins and principal residences were in other states, they were both very attached to Florida and bought adjacent houses here where they spent many months each year with their respective families. In addition to the magnificent botanical garden, you will see an extensive collection of period objects, scientific artifacts, inventions and automobiles, including Ford’s revolutionary Model T. Our journey continues along the coast with a stop in the lovely town of Sarasota, short visit and free lunch. We continue through downtown and into the east coast of the state of Florida. The final stop will be Cocoa Beach located in Brevard County and considered a favorite destination for surfers worldwide for its beautiful beaches. Kelly Slater, 11-time world champion in this discipline, was born right here in Cocoa Beach!

Dinner included and overnight stay at the hotel.

**DAY 6**

## Cocoa Beach

Breakfast at the hotel. Full day at leisure to relax and enjoy the beaches and Tiki bars of Cocoa Beach. Free dinner, overnight at the hotel.
